

'Hello and Goodbye!' BUT St Giles carries on regardless and is still there for you!!

I may be retiring at the end of January but I want to assure you that services and events will continue as before.

Your Church Wardens Joanne Dawdry 0113 203 7182 and June Pickles 0113 203 7797 are in charge of the church while there is no vicar.

You should contact them if you want know about services, funerals, baptisms and weddings. And of course you can contact us by email via the website which has details of all our events and services.

I have thoroughly enjoyed my time at St Giles getting to know you, your families and your children. You have made me welcome and supported me and the church.

Goodbye and Every Blessing to you and those who you love

Janice
