WELCOME to the January Edition of the St Giles Review and a very Happy New Year to you all. New Year and it's **not** a new us! Apologies to all those hoping to see a new-look magazine. We can promise you though that we will ring the changes in 2017 so keep your eyes peeled! Talking of communications we will introduce the communications team who have been working hard throughout 2016 to spread the word about all the great things that you do and help

with at St Giles. As Janice discusses in her letter this month we will be trying to publicise and communicate what **all of you** continue to do to 'Lead our Church into Growth' in the coming year and beyond. Would you like to get more involved in 2017? Please drop us a note at [stgilesreview2017@gmail.com](mailto:stgilesreview2017@gmail.com) or speak to Janice. Interesting roles and projects both great and small await!

# From the Vicarage

*Happy New Year to you and yours and  
may God Bless you with health and  
happiness throughout the coming year.*

We have a whole New Year to look forward to: an open and wide vista, untouched, unwritten on and in our hands as to how we spend the next year.

In November, we had a visit from Bishop Paul to celebrate 10 years of my ministry here and also to formally confer on me the position of vicar, whereas I was previously priest in charge.

The Bishop reminded us of the story of the British rowers and their gold medal. In 1998, consistently failing to medal or even make the final of major regattas, the GB Men's Rowing Eight decided to fundamentally change the way they worked and how they worked with each other. Their focus became purely about performance, the results they hoped would follow.

They approached things differently, critically asking the same question with every single action they took... Will It Make the Boat Go Faster? Along their journey they learnt the sustainable, dependable techniques and behaviours that drove continuous team improvement. The outcome 18 months later, against all reasonable odds, was a stunning Olympic Gold on the waters of Sydney.

In 2016 we as a parish began the Leading your Church into Growth; we did it in order to grow our parish numerically, spiritually and in service to others. The Bishop wants us to adopt the same principles: everything we do needs to be looked at in the light of 'Will it make our church grow?'

So in January we will celebrate the coming to the end of our learning and discussing and begin to look at how we can put into operation the ideas and suggestions that have been made during the past year. All will be looked at in the light of 'Will it make our church grow?'

Our celebration will be on 29 January in the 9.30 service; following the service there will be a brunch in the hall and an opportunity to find out about various areas of service that will need volunteers if we are to put into operation some of the ideas and suggestions that have been made.

A summary report on the outcomes of the Leading Your Church into Growth will appear in the February magazine.

We are not the only church in Bramhope and work closely with our brothers and sisters in Christ at Bramhope Methodists. Each year we have a number of services

## The feeding of the 6,000, not the 5,000. The Wednesday Luncheon Club

MIRACLES do happen outside the Bible and Bramhope is no exception in that over the past almost 30 years 6,000 meals have been prepared, through the auspices of the Wednesday Luncheon Club, which was the brainchild of an unknown person. In 1972 Nancy Bunday and Win Shirley organised a team to provide a lunch on the first Wednesday of September through to the following July each year. It has been hugely successful feeding people at each session. Nancy was in charge until 2000 when Mary Burnell took over the organisation until this year.

such as chicken and mushroom pie. Dessert alternatives included trifle, fruit pies, and lemon drizzle sponge.

Unfortunately, we are no longer able to run the monthly Luncheon Club but pleasingly, Janice is assisting with the luncheon club in tandem with Diane Thompson, Jill Perkin and Mary Mumby. The club will continue although less frequently. The next lunch is on Wednesday, February 1 2017 and will be followed by a spring lunch in May.

The new and old regimes combined forces on November 30 2016 for a glorious Christmas dinner consisting of turkey and trimmings, mince pie and for the first time alcohol - a pre-meal sherry - but no-one was drunk. Allegedly, there's never been any drunk and disorderly behaviour. On one occasion the gas failed, but by a

The logistics are mind-boggling. There was a need to decide on the meal, get the food, cook, serve, and wash up and transport some of the attendees most of whom were from St Giles and some diners from the Methodists and other village members, all of whom enjoyed not just a good meal, but great company. Testimonials from the diners are very glowing, "great food, great variety, excellent service, can't remember a bad meal". Lunch was a two course meal followed by tea or coffee. The menu was extensive consisting of many favourites,

miracle, a meal was produced with only one hour's delay. The milkman once delivered the necessary milk, one week too soon, which was left outside; an error which was picked up before everyone was poisoned.

The purpose of this article is to record what has been an amazing achievement and to name what is a long list of helpers, without whom it simply would not have happened and include Nancy and

More recently, the group has been joined by Sheila Williams, June Pickles, and Edie Whitehead.

Initially, some of the food was cooked at home and then transported to the church kitchen and hall. What would health and safety make of this? Now the food is cooked on site, in a spanking new five-star kitchen, which was built a few years ago, under the guidance is of Nick Pinches, John Smith,

and Janice; a development which has certainly considerably helped the logistics.

If there are any errors, please do let me know; the responsibility is entirely mine - and it was my initiative to write this article - because of the many great comments, which I got at the Christmas dinner (not surprisingly, whilst taking pictures). I felt that the events should not go untold - a story of Christianity in practice about a restaurant which has fed 6,000 mouths and could never be matched by Gordon Ramsay or Jamie Oliver. Well done to all and best of luck to the "new management"

## Time to reflect with Jonathan Slater

JONATHAN has compiled some words and prayers to help and take us into, and then through, the New Year...

All shall be well, and all shall be well, and all manner of thing shall be well.

*Julian of Norwich 1342-416*

**I** said to the man who stood at the gate of the year: "Give me a light that I may tread safely into the unknown." And he replied: "Go out into the darkness and put your hand into the hand of God. That shall be to you better than light and safer than a known way".

*M. Louise Haskins, "The Desert"*

FOR all the possibilities ahead in this New Year, make us thankful. O Lord.

Give us wisdom, courage and discernment in the face of so much chaos, despair, and fear.

Help us to see how, in our circumstances, we can contribute towards peace, faith and love.

**A** Meditation by Blessed John Henry Newman

GOD has created me to do Him some definite service; He has committed some work to me which He has not committed to another. I have my mission- I may never know it in this life, but I shall be told it in the next.

I am a link in a chain, a bond of connection between persons. He has not created me for naught, I shall do good. I shall do his work.

I shall be an angel of peace, a preacher of truth in my own place while not intending it- if I do but keep His Commandments.

# My Journey into Faith by Sarah Shay

FUNNILY enough my faith journey started by repeatedly driving past St Giles, mainly on the way to the gym, I admit. I say "funnily enough" because that is the theme of the video the communications team are currently working on to go on the website to invite people into St Giles. And if, 7 years go you told me I would be on the communications team at St Giles I would never have believed you. Because I had no Faith.

In 2009 I first took notice of the Alpha banner "is there more to life?". I didn't do anything about it though and kept on driving past. Eventually the banners went down and I forgot about them. Then the following year the banners went up again. This time I spoke to my mother in law, Marlene, about Alpha as she went to church and knew Janice well. She encouraged me and got me a leaflet. It was a bright sunny September day, the day of Bramhope show and with Marlene in tow (well, giving me some strong guidance!) I handed in my completed form to Janice who was also busy with the famous quilts stand.

A few weeks later I started on the Alpha course, keen to learn and ask questions; but by no means convinced or "converted". I will never forget sitting in the meeting room, first around the tables eating the fantastic home cooked meals and learning about each other, then sitting around the TV listening to Nicky Gumble and finally our chairs grouped in a circle having really good discussions.

My questions began to be answered and one week the image of Jesus knocking at the door, overgrown with weeds was shown. That is when I knew, Jesus was knocking at my door and it was in my power to open it. So I did. We had our Holy Spirit away day. We had just heard Marlene had been diagnosed with cancer. My tears flowed but I was filled with the Holy Spirit. In the hard times ahead I would need my new found Faith and the belief that her Spirit lives on. I often think she is up in heaven still making bacon sandwiches! God Bless her, for giving me my wonderful husband and my Faith.

After Alpha, I did confirmation classes and in July 2011 was baptised and confirmed by The Bishop. Janice advised against any elaborate hair-do's and for good reason as I got soaked!

Since that First Communion I have learned much on various home groups and am inspired by our knowledgeable and welcoming congregation. I still believe I have a Christian "L" plates, but as Janice would answer, "well we are all on that Journey...."

**W**e would love to hear your faith journey. If you have an interesting, unusual or funny sorry about your journey, please email the SGR team:

## Circle Dancing

**T**his month Alison, who travels from Castleford for Circle Dancing, explains why this is the group for her...

The end of another year draws nigh, with the dark nights giving us more time to reflect and remember. Our dance evenings at St Giles are as wonderful as ever, and as always, give us much to reflect on. We had another lovely day with Lesley Laslett from Kent who shared many dances, old and new, with us. I particularly enjoyed Solo in Dio (Only in God); one inspired by a friend of Lesley, a nun, encouraging Lesley to keep on with the dancing. We are so glad she did! As always, we continue to have some splendid centre pieces too, including a very creative simulated bonfire effect one, and another week a particularly well put together one to link in with Remembrance Sunday.

I spent a long time wondering whether circle dance was going to be right for me as a Christian... some people are understandably cautious. However, I know I have chosen a good group with an excellent teacher in Joan Peart, and that the dances reinforce my love of God, in the same way that it is

possible to be inspired by a beautiful painting, or a meaningful poem. To me it is not just circle dance, but more like praise and worship dance! We are a mixed group... some of us attend various churches; some do not. Overall this group is extremely caring and supportive, and importantly – we enjoy each other's company and have a lot of fun dancing together. It does not matter how well or otherwise you consider yourself to dance ... it is noncompetitive and at the same time is relaxing and re-energising with a vast range of lovely music from around the world.

Amidst all the activities around Christmas time, you will no doubt hear many favourite carols. Did you know that carols were originally round dances or circle dances? A more modern carol by Graham Kendrick starts with the invitation "Oh come and join the dance that all began so long ago.....Oh take my hand and come and join the dance!" What a lovely invitation. Why not try it? You might grow to love it as much as we do, and you will find a very warm welcome.

IN November, we enjoyed a talk by Wendy Eccles entitled 'The Nurses Who went to War'. This included, amongst many other things, very interesting facts about Florence Nightingale.

MANY thanks to all who supported the Box Opening on November 12<sup>th</sup>. The total raised from the stalls and the sale of soup was £330 and the boxes raised £1539.62, a slight decrease on last year's total by about £30. The Society thank you most sincerely for your continued generous support.

My personal thanks as ever to the team of counters, Neil, Philip, Ken, Dave, Jim and Kirsten who do the job with cheerful efficiency and to friends who helped "man" the stalls.

## *Men 's Supper Club*

'NIDDERDALE Yesterday' was presented at the December Meeting by Mr David Alred (correct spelling!). A keen walker in Nidderdale, he had got interested in its social history and has built up a wonderful collection of black and white photographs from private collectors. The greatly enjoyed presentation included a photo of Nidderdale Show taken in 1895 and photos of Patterdale when it had a thriving railway station and no cars!

In appreciation of the splendid work done by our caterer Karen Sheard and her team throughout the year, Karen was presented with a gratuity and a poinsettia plant. Her helpers Julie and Amy were each presented with a poinsettia plant and some chocolates.

As is our tradition, we finished the evening by singing traditional carols selected by Tony North and led by John Smith on the piano. It was agreed that the Men's Supper Club Male Voice Choir was once again in good voice!

Please note that our Meeting Secretary Derek Oram (tel: 0113 284 3301) needs to know by Sunday 8 January whether you are attending the next meeting on January 12th. The topic is '200 years of Post-boxes'.

## *Thank you*

I WOULD like to say a huge thank you to everyone who contributed to our Christmas Appeal for St. George's Crypt. I was overwhelmed with the generosity of our congregation.

We managed to make up 75 presents which contained socks, a variety of toiletries, some chocolate and a Christmas card. For many of these unfortunate people it will be the only present they will get.

Our dentists were very generous too and donated lots of small tubes of toothpaste and these together with lots of small toiletries that could not fit into the gift bags will be used throughout the year for the homeless people that the charity help on a daily basis. St. George's was extremely grateful for our generosity and thanked us profusely for continually supporting them. Thank you to you all.

*Sheila Williams*

## *The Church Christmas Tree*

As I stood in the church lobby on my maiden 'Meet and Greet', I saw one of the younger members of the congregation rush out of church to meet his friend.

"Quick! They've got a tree! IT'S massIFF..." he exclaimed, as he grabbed his mate's arms. And both rushed into church to witness the spectacle.

And what a spectacle it was: kindly donated by David Lawton of Russell Farm, Otley and beautifully decorated by Jean Weatherill, Martin Lee, Hilary and Jim Molyneaux; it was most certainly worth rushing to see.

So on behalf of all Christmas tree enthusiasts and of course the congregations from our Advent and Christmas services, a hearty THANK YOU to David Lawton and the tree decorating team.

## Caroline Donnelly and Girls

Hi, my name is Caroline and I live on Moorland Road with my husband Russell and three children; Francesca, Isobel and Katie. We moved to the village some ten years ago, our arrival coinciding with the arrival of our 'new' vicar Janice. Russell and I married in 2007 in my home parish of All Saints, Rudby in the North Yorkshire village of Hutton Rudby, a village not dissimilar to Bramhope. Our three girls followed and all of them have been christened at St Giles where we attend family services and have been regulars at both Toddler Praise and Messy Church over the last eight years.

After a career in Marketing in brand management for large food companies including St. Ivel, Arla Foods and Dr Oetker I was made redundant some six years ago and was fortunate enough to be able to stay at home with the girls which I have enjoyed immensely. Our youngest Katie has just joined her sisters in reception class at Bramhope

Primary School where I will shortly be becoming a member of the PTA! I think my days as a full-time Mum may also be coming to an end as I would like to return to doing some sort of work to inspire my mind at some point in the future. Having become a member of the St Giles communications team this has shown me that I do still have some skills to offer!

In September 2014 when the girls were 2, 4 and 6 I was diagnosed with an extremely rare cancer called choriocarcinoma and we embarked on what was to become a 2 year slog of treatment and turmoil for us as a family. Supported by wonderful family and friends and with prayers and well-wishes from St. Giles and All Saints and even a personal prayer from Archbishop Sentamu, whom my parents met and spoke with on his walk -about at Christmas 2015, by the autumn of 2016 things were looking and continue to look positive. I was lucky to be diagnosed with a cancer that is highly curative. Due to treatment I was very

unwell for Christmas's of 2014 and 2015 so I have enjoyed this year's celebrations with fresh eyes and great joy. I certainly have a new understanding and appreciation of all those living with long-term illnesses than ever before. I will certainly play my part in helping those I know going through the same in future. As a family we raised money to support charities and medical research in an attempt to help others and pay-back for the help we received. The care and compassion demonstrated by the NHS was outstanding. One particular charity of note that supported us, and we them, is a small charity called 'Mummy's Star'; set up by a husband who lost his wife and the Mother of his children to cancer. The aim of the charity is to help families where Mums have had a cancer diagnosis either during or shortly after giving birth or miscarriage. The needs of this group are certainly many and the charity aims to offer practical financial help (to pay for things such as extra childcare) and counselling support for all family members – patients and often-forgotten carers and children.

I certainly feel like someone waking up from a prolonged hibernation and am sure that 2017 will see me and my family thrive and flourish. The girls are growing up fast and we hope to continue to enjoy living life to the full in Bramhope. May I take this opportunity to thank everyone who prayed for me or wished me well. Good health and Happiness to you all for 2017!

*Caroline Donnelly*

An update from

CAN you remember Jane Pollard's blog that we shared last summer, about the mission10 trip to Mexico to build homes for families and the day centre where a young brother and sister had been left by their mother as she could not look after them and had to go away to work?

The two small children were devastated and very scared but are now starting to make friends at the centre. Their parents are being supported too and are making regular visits to the centre to see the son and daughter.

ARE YOU IN IT?

We have 58 members and would love to get to 65 over the next few months.

We have raised over £2,500 now for Church since the first draw in May 2015 and so have had 38 first and second prize winners.

It is only £5.00 per month by regular standing order, of which £2.50 goes directly to church and £2.50 goes in the prize draw fund.

You have to be in it to win it so pick up a form from the Church lobby or speak to Sarah Shay.
