Another May already, this edition marks the start of my third year as editor of the magazine. I thought this was a good time to tell you a little about the process of creating the magazine.

I compile the magazine each month, Mary Mumby collates the church services for the month and any entries for the parish register; Liz Johnson gathers all the rotas for the various weekly tasks people cover, Bill and Janet Cunliffe gather articles about our parishioners: Getting to know you and Love thy neighbour; I Jonathan provides a selection of prayers appropriate to the month; in the absence of a vicar, Joanne and June write a letter of welcome and all the group leaders send in accounts of the previous month's activities and up and coming events. If there is space, I will write an article too. Once all the articles and rotas have been updated and formatted, a draft copy is sent to Tony North, who painstakingly highlights all my formatting errors and any other mistakes. Tony then returns the draft to me to correct and send to the printers. The printer adds the Church of England centre pages before posting to Sue Ball for distribution.

If you would like to contribute to the magazine, please contact Karen Giles, Communications chairperson.

From the Wardens

Hello Everyone

April has been a miserable month, weather-wise, but our church looked beautiful over the Easter period. Thank you to everyone who decorated St Giles and made us feel that spring was on the way.

It has been a very busy month. The Archdeacon and the Bishop have met with the PCC and we are awaiting final approval for our Parish Profile and Brochure. The Bishop will have preached and presided at our service on 22 April. We will have had our Annual Parochial Church Meeting and also launched an appeal for a new boiler. We think that is quite enough for one month.

Our boiler appeal will be ongoing during April, May and June and if you would like to make a donation, envelopes are at the back of church. We are not au fait with boilers and their pipes but I am sure Nick Pinches will be only too pleased to explain why we need a new boiler.

We hope to raise money for the appeal with a variety of social events. Our first event is on a Saturday evening, May 12, when the Sultans of Swing will be performing. Tickets are £10 including a glass of wine and you will be able to browse the book sale. Tickets are on sale at church or you can contact us direct.

We also invite you to Joanne and June's Get together with afternoon tea and a glass of prosecco on Saturday June 2, tickets £6. Tickets will be coming shortly.

More events next month. We hope that you will support the events and we thank you for your continued support during this interregnum.

With our best wishes

Joanne and June

Café-style Lent Course 2018

We tried a new approach to our Lent Course this year and ran a café-style course in the church hall. Morning and evening sessions were offered to cater for people's preferences. The course material was the BBC film "The Passion". It was split into four instalments. There was a star-studded cast including James Nesbitt and Penelope Wilton. The format of each session was: an introduction by the group leader, reading some bible passages relevant to the film, watching the film and finally the discussion.

The discussion was around some pre-set questions. People worked in small groups of 3-5 people and managed their own discussion. There was no feedback to the whole group as the intention was for the groups to have an informal discussion between themselves and to delve as deeply as they wished into the material. As with any such group, the discussion was confidential.

From my perspective, the film was excellent. It was very thought provoking. I felt that the Easter story came alive and it gave me food for thought. The questions were often quite deep and made me think.

About 30 people attended the course and the feedback has been positive. Some of the comments were...

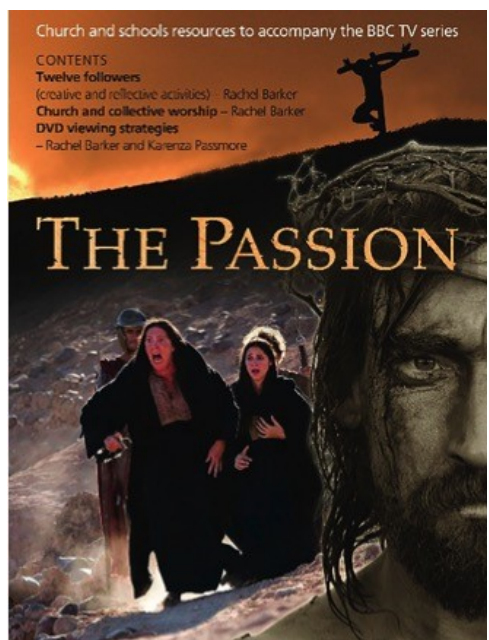

Found the course thought provoking and challenging. We were put in the disciples shoes and that made us realize how bewildered and abandoned they must have

felt during the first Easter. These courses encourage us to discuss our faith.

Very thought provoking. Gave rise to good, questioning discussions. The realism made us realize the brutality of living under Roman rule. Good to sit with other people and share the discussion about the passion and resurrection.

This is my first Lent Course. I really enjoyed the group discussion on the reality of the film in contrast to what I learned at Sunday school as a child. Thank you to all who made this course happen.

CATS

Charitable Giving: We have a tradition of supporting charities at CATS. In recent times we have provided clothing for African children and toiletries for the St George's Crypt Christmas appeal. The heating system in the church hall, where we hold CATS, will need updating in the near future and we feel that this would be a good cause to support over the next year. We plan to raise £1000 towards this goal and will show our progress on the CATS noticeboard as we progress towards our target.

Toddler Rave! When Dad Matthew asked if he could throw a birthday party for his son, Elias, during a CATS session we said "Tell us more." He had a friend who did Children's Raves and he wanted to bring her into the hall for everyone to enjoy.

So that's what he did! I think it was a bit of a shock when the regulars entered the hall and found no toys, loud music, darkness and fancy lights but they soon got into the swing of things and had a great time! We even had a 12hr old baby attend... not many people can say they went to a rave as soon as they were born!

Congratulations to Pomme and her husband.

Toddler Praise: In September CATS are taking over the responsibility of running Toddler Praise on the first Wednesday of the month in the chapel (term time only). It will be a Christian service aimed at Toddlers, lasting about 30 mins, followed by refreshments. There'll be prayers, singing and a bible story. We are appealing to anyone interested in helping to contact me. There will be 9 sessions in the year and I already have 3 people willing to come along, support the service and do the refreshments but if I had more volunteers it would make a fantastic team and be less onerous on everyone. Please pray for us in this new venture.

CHILDREN'S SOCIETY

The Children's Society committee held their AGM on Monday March 19. We sent a total of £5462.43, an increase of over £400 on last year's total. The fundraising events and accounts are displayed on our notice board in the Church Hall.

We will be doing collections at Stephen Smiths later in

the year and there is a Bridge Drive arranged for Monday June 11 at the Craven Village Hall 1:30 - 4pm, to include a light afternoon tea. Tickets on sale now from committee members priced £10.

We started our meeting with quiet reflection and fond memories of Carol Wiggins, tragically killed in a car accident recently. She and her sister Shirley were long-time supporters of the Society and Carol had been on the committee since 2005. We were both touched and pleased to discover that she had asked for donations to be made to the Society in the event of her death and £327 was donated at the actual funeral service.

CIRCLE DANCING

Well it was Easter Tuesday when we last met, so the obvious choice was to do the Finnish Mass, which is a collection of songs telling the story of Christ's crucifixion and resurrection, and the feeling which these happenings evoke. When Nanni Klope (a well-known German choreographer) first heard

these songs, she said the melodies, with their constant rhythmical changes of mood, were an invitation to dance. So she composed a set of inspirational dances, which were described as hope-enhancing, loving, and even tender meditations on the human which aim at seeking the fullness of life. In the final dance, "*A Song of Sharing*", a translation of the words from the Finnish say:

*Shed tears when others
are weeping,
When they laugh, you
should laugh with them.
Be joyful, on life's
highway.*

*All you need was given

Is living and loving.

We all found it a very beautiful and meaningful way to celebrate Easter.

MOTHERS' UNION

We really enjoyed hearing from Ann Lightman about the ladies of Lawnswood Cemetery. Ann is a member of the Friends of Lawnswood and had done a great deal of research into graves of women mentioned on the

gravestones. Who would have thought we had so many influential ladies in Leeds!

Next month we look forward to welcoming John Crossen who is talking about The Blue Plaques of Leeds. Please feel free to bring family and friends along as I can vouch for John being a very interesting speaker.

Every year the MU holds a service on Lady Day commemorating Mary Sumner, its founder. This year Lady Day fell during Holy Week so it was postponed until 9th April and held here at St Giles for the whole Leeds Episcopal Area. We were delighted to welcome lots of members from around the Diocese and had a wonderful service based on the visitation of Mary to Elizabeth whilst pregnant. Our chaplain Sharon Kaye gave a thought provoking address on the Magnificat. Thank you to everyone who helped make this event very special.

Christian Aid Week:

Together we're stronger than the storms

In Haiti, Marcelin raised his three daughters alone. They've endured some of the worst natural disasters on earth. They're not just survivors. They're fighters. But they're only so strong. They won't survive the next hurricane without your help.

This Christian Aid Week, you can be in their corner. You can help them build a home that will weather the next storm, so they won't need to fight to survive anymore.

Christian Aid Week unites kingdom builders like you from all walks of life. We step out in mission for our neighbours like Marcelin, because we believe in life before death. We believe God's kingdom is stronger than the storms.

Join us

This Christian Aid Week, 13-19 May, the churches of Bramhope (St Giles and the Methodist Church) will be collecting door to door.

Will you help us? Last year our collection raised over £4000 for Christian Aid to help

refugees. In 2018 every £210 raised could pay for two days' construction training for a local builder in Haiti. The builder could then build secure, comfortable homes for people like Marcelin, giving them a safe place to weather the next disaster, and a fighting chance to build a better life.

Marcelin Abellard and his daughters, Ketia, Linda and Keshna (left to right in the photo) still haven't recovered from Hurricane Matthew. Marcelin doesn't expect them to survive if another hurricane hits.

Together we can be stronger than the storms

If you are able to help, please speak to Marion Skirrow (261 4156) or Gill Pinches (284 2063) today.

Thank you

NEIL & JO SIMPSON

Getting to know...

Neil and Jo have lived in Bramhope since 1996. Jo was in fact born in Kent, and trained as an Occupational Therapist in Northampton, but spent her early career in Yorkshire – working at Harrogate, St James's and Chapel Allerton hospitals. Her godparents were also locals – they were wardens at Barrowby House, the former C of E Diocesan House in Kirkby Overblow (where Jo and Neil later married). Jo moved jobs to Portsmouth in 1983, and then to Derby in 1987, where she and Neil met in 1989.

Neil, meanwhile, was born and grew up in York. He went to university at Keele, where his first degree was in Law, but he had long wanted to work in the NHS, and after doing a Masters degree in Birmingham, he has spent most of his career in NHS management. He has worked in Harrogate, Hull, Grimsby, Derby and Leeds, though he is now self employed and working only part time, as a consultant on various programmes for NHS England.

Jo and Neil married in 1990, and their two children, Catherine and Alistair were born in Derby. But a desire for the children to grow up in Yorkshire drew the family "back home" and Neil got a job as Head of Organisational Development with Leeds Health Authority, and Jo as an Occupational Therapist with Leeds Social

Services. The family soon became involved in St Giles. Catherine and Alistair attended Sunday School. Jo was a founder member of the Mums' group and became part of the Children's Society Committee, for which she is now Treasurer. Neil has been on PCC, and was part of the Youth Management Committee that established the BASE Youth Group. Together, Jo and Neil also ran Pathfinders for several years. Neil and Jo's preferred service is the All Together one, for which Neil is one of the "screen team".

Jo is now retired; she is a keen gardener, and volunteers at York Gate Garden, in the café, the garden, and also leads one of their Heritage Lottery funded project teams. She enjoys quilting, and also stewards at Ilkley Literature Festival each October. Neil spends his "spare" time as a mentor for the Carer's Trust, and an Ambassador for the Carer's Alliance (both of them national carer support organisations). He is a Trustee of Harrogate Neighbours Housing

Andrew Taylor, our Planned Giving Officer and White Rose Wanderer, explains why he will be walking the White Rose Way this May Bank Holiday Weekend...

As a keen member of Team Bramhope over the last few years, it has been a pleasure to help raise funds for Candlelighters through participation in the Leeds Half Marathon. For those of you who are unaware, Candlelighters is a fantastic Children’s Cancer Charity based in Leeds supporting children and their families from across Yorkshire as they come to terms with a lifechanging event. Through the combined efforts of team members, we have managed to raise over £15,000 to date but are aiming to do more.

To that end and to mark a milestone birthday, I have decided to take on a more arduous fundraising challenge this year, to further support Candlelighters in all the good work that they do.

Over the four days of the May Bank Holiday weekend commencing Friday 4th, I will be walking the White Rose Way, a 104 -mile-long distance footpath from City Square in Leeds to Scarborough, with

overnight stops in Tadcaster, Stamford Bridge and Thornton Le Dale, taking in the wonderful Yorkshire scenery on the way. I will be covering the distance of a marathon each day, hopefully arriving on Scarborough sea front in time for Fish and Chips on Bank Holiday Monday afternoon!!

I will be accompanied over the four days by Ian Bond (a former Bramhope resident) and a number of friends and work colleagues will be joining us across the days to lend their support.

I am completely in debt to David Bransby of Personal Computer Training for the most amazing help that he has given me over the last few months. David has been utterly magnificent. He has worked alongside me tirelessly, and patiently to help produce various presentations, producing narrative slides for my clinical power point presentations and organising the files and documents. I have also benefitted from computer instruction at the same time.

I would recommend David to any individual or business that requires computer related support. His knowledge is immense, he is thoroughly reliable, personable and always punctual and nothing is too much trouble. Thank you, David, for your tremendous help.

Prayers for May

On May 10, the Church celebrates and gives thanks for Ascension Day; the day when the Risen Christ parted from the Disciple's sight. This is a prayer for Ascension Day based on the hymn "*Hail the Day that sees him Rise*".

O Jesus Christ, although you are parted from our sight, reveal yourself to us in worship and in song. Send your Spirit upon us, that in all we say or do, we may be inspired from above, and from within, by the thought of your glory, and the music of your love, for your reign at the right hand of the Father, with the Holy Spirit, ever one God, now and for ever.

Amen

By Gordon Giles

On May 20, the Church remembers how at Pentecost (Whit Sunday) the Holy Spirit came upon the Disciples in Jerusalem and empowered them to continue the work Jesus began of growing the Kingdom of God. Pentecost is often called "The Birthday of the Church". This is a Prayer for Pentecost:

O God, who on the Day of Pentecost enabled your Spirit-filled people to bear witness to their Lord so that people of different races heard the good news in their Mother tongue. baptise your Church today with the same Spirit of power, that it may fulfil its mission to preach the gospel to the whole creation and all the peoples of the world may learn Christ in their own language, to the glory of his name.

Adapted

On May 27, the Church celebrates and reflects on the doctrine of the Trinity- how God is Father, Son and Holy Spirit. This is a Trinitarian Prayer:

To God the Father, who first loved us, and made us accepted in the Beloved: to God the Son, who loved us, and washed us from our sins in his own blood; to God the Holy Spirit, who sheddeth the love of God abroad in our hearts: to the one true God be all love and glory for time and all eternity.

By Thomas Ken

On May 25, the Church celebrates and gives thanks for the life of The Venerable Bede (673- 735) priest and monk of Jarrow. He is most famous for his book "History of the English Church and People".

This is one of his Prayers:

I beseech thee, good Jesus, that as thou has graciously granted me here on earth sweetly to partake of the words of thy wisdom and knowledge, so thou wilt vouchsafe that I may sometime come to thee, the fountain of all wisdom, and always appear before thy face; who livest and reignest, world without end.

Amen

At Pentecost we celebrate the Holy Trinity: God, our Father, Jesus, his Son and the Holy Spirit. About 50 days after Jesus had risen, the disciples were gathered together. The Holy Spirit came upon them and they knew they had to tell everyone one about Jesus and what He had done for them.
